Guerrilla warfare

Some actions taken by these splintered groups were not always in favor of the larger war effort.

Category:Guerrilla warfare

It was the principal nationalist movement during the and the sole legal and ruling political party of the Algerian state until other parties were legalised in 1989. Algeria : Anger of the Dispossessed. London: Simon and Schuster UK.

Guerrilla warfare

The violence of the FTP-MOI in their struggle for survival did not always coincide with the interests of the French people. During the mid- to late-1980s, Bendjedid reintroduced religiously conservative legislation in an attempt to appease growing Islamist opposition. The

civilian population living in the area might be suspected of having collaborated with the enemy and find itself displaced, as the guerrillas fight for territory.

Despite that, the FLN remained the largest party following the , winning 208 of the 462 seats.

Guerrilla warfare

After formal was restored, the FLN initially failed to regain its prominent position; in the it emerged as the third-largest party, receiving 14% of the vote and winning 69 of the 231 seats. The enemy would not be able to surprise the maquis because the views from the hills were extensive, but some enjoyed this advantage and stayed in the same sites for months, defying their own rules of mobility.

National Liberation Front (Algeria)

At this time the FLN reorganized into something like a provisional government, consisting of a five-man executive and legislative body, and was organized territorially into six , following the -era administrative boundaries. Encyclopedia of Guerrilla Warfare Hardcover. Today the FLN is close to former , who has been made honorary chairman.
