Robert Campbell Jr. Obituary

Wayne and I were devastated when Debbie told us he had passed. He went on to graduate from the University of Mississippi Medical School in Jackson, Mississippi with a degree in medicine.

Yakima Valley Memorial

DURING the last two years of the Great War your president and I had to make our way to work every day through wards crowded with wounded men, the great majority of them suffering from a streptococcus infection of their wounds. After retirement he worked for CenturyLink until he became disabled. I pray that Gods Love touch all of you and bless you with strength during this difficult time.
