Theory, research and public policy. Sara has a high sense of entrepreneurship to have her small business.

Understanding the experiences of adolescents and young adults with cancer: A meta

The concept of the family life cycle provides an important frame of reference for the study of the history of a family traced through its various stages of development. Other symbolic characteristics of this phase are chaos—suspended space, timelessness—time of celebration—liminal time, night, motionlessness, anti-matter, the unknown, death, incorporeality, ignorance, oblivion, and a lack of intentionality Turner, ; Van Gennep. There is still much to be researched within the last two categories.

Population and the family in Japan

New York: Basic Books, Inc. Displacement due to unanticipated events such as war creates a sense of vulnerability and helplessness Newman and Van Selin, 2003. Search methods Three electronic databases were searched - CINAHL, Medline, and PsycINFO - and limited to peer-reviewed articles published in the English language between January 2004 and March 2014.
