Arab and Islamic heritage

Muhammad made a final pilgrimage in 632 C. Although historians generally agree that the major Islamic dynasties end in the nineteenth and early twentieth centuries, Islamic art and culture have continued to flourish.

Introduction to Islamic Architecture

Such factors became distinguishing features of Muslim and Islamic architecture. The art of manuscript illumination was highly prized in the Safavid courts, and royal patrons made many large-scale commissions. For more details, please see our.

Islamic Art And Architecture

Next, the church was converted into a mosque and then completely rebuilt by the descendants of the exiled Umayyads—the first Islamic dynasty who had originally ruled from their capital Damascus in present-day Syria from 661 until 750. As part of the exhibition, Hajj: journey to the heart

of Islam, the British Museum asked what this journey is like.
