38 Easy Mexican Dinner Ideas

Skillet meals with Southwestern or Mexican flavors are a favorite, as are casseroles, simply because they are a good bit of less effort. These days, you may find a few restaurants serving up a sophisticated twist on Frito pie, but you can't go wrong with the original, which is basically Texas chili served over a bed of Fritos and topped with all the fixings. Will it be a while before you can get to any of the famous chef's restaurants? Because you hack the fish into bits, there's no need to find perfect-for-presentation filets, so this is a great way to use those that aren't flawless, as long as they're fresh.

List of Mexican dishes

Then our collection of Easy Mexican Casserole Recipes - 16 of the Best Mexican Casseroles is just what you need. It adds just the right touch! Everything from appetizers, drinks, side dishes, main dishes and desserts.
