Kazumasa Yamashita: Recent Works and Projects (Process, No 132, Part 2): 9784893311320: vivchar.tom.ru: Books

Edited by Linked existing covers to the edition. This small house provides us with a yard stick by which to evaluate the architecture of Yamashita, although while some find it unacceptable others find it interesting and embrace it.

Citation

Architectural Review v n DecThe Linked Data Service provides access to commonly found standards and vocabularies promulgated by the Library of Congress.

Citation

Through the Arc of the Rain Forest is the first novel published by Japanese-American author Karen Tei Ily set in Brazil, the novel is often considered a work of magical realism but transgresses many literary genres as it incorporates satire and humor to address themes of globalization, transnationalism, migration, economic imperialism, environmental exploitation, socio-economic.
