### Broadway Shows You Can Book Now for 2021

Perhaps the most famous in the world, , wrote around 40 plays that are still performed in theatres across the world to this day. The noble rulers of the island were less interested in administering the lives of the Balinese than in dramatizing their rank and hence political superiority through large public rituals and ceremonies. Shakespeare was enormously popular, and began to be performed with texts closer to the original, as the drastic rewriting of 17th and 18th century performing versions for the theatre as opposed to his plays in book form, which were also widely read was gradually removed over the first half of the century.
