Stevenson's cousin, the art critic Robert Alan Mowbray Stevenson 1847-1900 , contributed to the stories in two ways. It had welded into one compact political mass the whole of North America from the Panama Canal to the Arctic Ocean. A rich panorama of life in the early Victorian era, largely inspired by Dickens' own early life.

John Grandin is a successful academic in New York City: he has been promoted to a full professorship, Scribners has just accepted a book of his for publication, and so on. So Jack London has created a classic autobiographical novel that has lost none of its relevance since its first appearance. The long story is *The Case of the Late Pig*, which we have omitted for the simple reason that it is already available in our catalogue as a separate ebook! We include the 1895 title page, which was created by Aubrey Beardsley 1872-1898.
