U.S. Relations With Cuba

A free and thriving Cuba became an oppressive state controlled by the few in power.

Obama's Cuba plan could change how Latin America views US

If the summit is focused on Cuba — and not on US policy on Cuba — that will be a sign of progress. Another important concept is to strengthen DOD capacity to focus its capabilities and interact more effectively with the armed forces and law enforcement agencies of Latin America.

Cuba after the Castros: Three questions

Unlike China, Iran seeks a presence in the region not for commercial trade purposes—although this is used as a façade—but as a way to promote its geopolitical and ideological goals.

Cuba after the Castros: Three questions

But the image of the Latin American military junta is not simply coincidental; as recently as the 1980s, the major countries of the Americas were under military control—Argentina, Brazil, Chile, Paraguay, Peru, Uruguay, and others. Although poverty has declined from 48.

Cuba after the Castros: Three questions

The OFAC provides from Cuba.
