If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

Education at the Crossroads

Responding to a timely global moment where education and international engagement are being redefined and practiced in new ways, the authors call for a reconsideration of paradigms and critical reflection of the entire field of international education. We do not knowingly collect personally identifiable information from anyone under the age of 18.

International Education at the Crossroads

Thus, the audience is, well, everyone. It is, ultimately, a gift from God, a gift of grace.
