### Cassette tapes are more fun to listen to than digital music

This may happen if a tape was forcefully ejected after being eaten. However, this contributor recalls the Hill St.

### Band Merch

Why would I clutter up my house with such outdated music? The logos for all of their other labels have been found, but the logo used for Film World Festival has not been found yet in its entirety. The VCR may have gotten into a bad mechanical or electrical state. Logos Beginning with B BBC Choice Trumpet FOUND There is 1 of the 5 BBC Choice IDs from 1998-2000 that has been lost.

### Bombing of Hiroshima and Nagasaki

I was always impressed with the artistic decisions made when determining how album art was going to be translated from a 12-inch record cover to a four-inch tape cover. Solid Colors are made from 80% cotton and 20% polyester, while Grey Heather is made from 75% cotton and 25% polyester blend.

### The Lost Logos Hub

The best place to find this logo would be public domain releases of films distributed by AAP or recordings off of pre-1981 more likely mid-1970's prints of pre-1948 Warner Bros. No video evidence has been found. Leave the volume down low, lest you blast your ears once the audio is playing fine again.
