‘It’s a great diagnosis tool’

You should definitely get the teacher involved in this if you go this route.

Paganini Galás Akoluthic

We reserve the right to deny an audition based on scores that fall considerably below our minimum. Always bowing at an angle, never been able to bow for long in parallel to the Bridge! Now, with that as a backdrop, you might think that I am contending that practice is a colossal waste of time.

Review: [Untitled] on JSTOR

The Artist's Technique of Violin Playing. That way, you can have a role that's both useful and less intrinsically negative. The next day, shift the third goal to measures 4-6, then 7-9, then 10-12, and then a day of transitions play 7-12 once without error, 4-9 once without error, 1-6 once without error, and then a day of the entire song without error 3 times in a row.

Review: [Untitled] on JSTOR

My oldest 9 is the opposite, he wants to practice for X set period of time, and does it very consistently.

College

This early tryst into reporting eventually led me to academic writing. I was always so excited in history when we had to do a research assignment. Please submit your transcript as is by the deadline; a final transcript will be required later, if you are admitted and choose to enroll.
