rule of law

In India the Supreme Court and the High Courts have powers to issue writs in the nature of Habeus corpus. Corwin, *The President: Office and Powers* 1787—1984, at 94—100 5th rev. A new regulatory space is emerging, distinct from that of inter-State relations, transcending the sphere of influence of both and domestic administrative law: this can be defined as the global administrative space.
