Iroquoian languages

Els grups de consonants a inici de paraula poden ser de fins a tres consonants llargues, grups mitjans fins a quatre consonants llargues i grups finals només dues consonants llargues. Després de ser desplaçades de la seva llar ancestral al Canadà a la badia de Geòrgia, el grup va viatjar cap al sud, primer a Ohio i després a Kansas i Oklahoma. Another problematic point is the representation of glottal stop and h.
