## Information Society

Here they have gone for the bargain basement option, the one that handles traffic the least skillfully! Mr M McGuinness: The Member knows that there was a very strong commitment from our Administration.

**"It's on the 'nice to have' pile": Potential principles to improve the implementation of socially inclusive Green Infrastructure**

Slim to nothing in my opinion. Blue signs have been erected a tad early on the Loughmore junction near Dell. Though Continental Airlines and Delta Airlines continue to have year-round transatlantic services from Shannon.

**"It's on the 'nice to have' pile": Potential principles to improve the implementation of socially inclusive Green Infrastructure**

Drawing on a mixed method research approach centring on practitioner experience, this paper identifies potential social principles that underpin GI and questions the extent to which these are being implemented in the UK.

## The Official Report 12 November 2013

Constructing it to this standard would also mean it would be future-proofed for many decades to come.
