FAKE ME TO YOUR LEADER: THE GULF BREEZE UFO HOAX, REVISITED

Sheldon said the craft appeared over the southern sky near Midway in Gulf Breeze. However, some witnesses allegedly came forward with claims that they knew of the hoax. Walters accumulated a catalog of 40+ photographs, many of them controversial.

Gulf Breeze UFO

One wonders that if Udo had gone with the two humanoids, would he have lived hundreds of years later? Most dismiss the UFO photos at the center of the Gulf Breeze Sightings as a hoax — most, but not all — yet so many others at the time also claimed to see unexplained flying craft in the Gulf Breeze area — so close to both Pensacola Naval Air Station and Eglin Air Force Base, of course. The strange buzzing sounds at the time of the presence of these machines were noted by Ed.

Gulf Breeze UFO

This photograph was submitted by a man whose grandfather worked for the government in classified material.

Be sure and see the larger image on this one. It was released by building contractor Ed Walters along with others of what looked like circular UFOs over Gulf Breeze, Florida. These were much more than just sighting reports-the sightings were accompanied by many photographs and videos.

The Best UFO Pictures Ever Taken, Page 4, 1980

The evidence against him is either the product of a smear campaign, or hard knows skeptics refusing to open their minds to the possibilities this was real. Walters claimed to have more sightings and take more pictures. By the way, my father was Bill Fortenberry of the famous Nash-Fortenberry sightings in 1952.

The Gulf Breeze UFO Encounter ☐ Still Divides Everyone That Remembers It ☐

In March of 1990, Bob went into the attic to look for a shutoff valve for the water pipes. Maybe, or he might be a forgetful hoaxer who actually had built several models and forgot one hiding place.

Gulf Breeze UFO incident

He said he saw an alien standing outside his window and by his bed.
