Sweden: The Instrument of Government was adopted on June 6, 1809

The aged and childless brother of Gustav III, was made king in 1809, but he was a mere puppet in the hands of the Estates and the question of his successor had to be solved. One of the Riksdag's tasks is to monitor and examine the work of the Government. This task is carried out by a Government-appointed committee or commission of inquiry.

The Constitution

The purpose of these questions is to receive information about a specific matter.

Sweden: The Instrument of Government was adopted on June 6, 1809

The figure in brackets refers to the year and the following figure is the serial number for that year. Before the Chamber of the Riksdag takes a decision on an item of parliamentary business, all proposals submitted in connection with the item are to be considered by the members of one of the 15 parliamentary committees.

Instrument of Government (1809)

Until the 1970s, Sweden had male succession, but in 1979, the Riksdag decided that female heirs would have equal rights to the throne and can also become head of state.

In 1970 the parliament was transformed from a bicameral legislature to a unicameral one. Furthermore, it sets out how the Riksdag goes about

amending the Constitution. The answers from the ministers are to be submitted to the Secretariat of the Chamber, which then refers them to the members who have asked the questions.

Instrument of Government (1809)

These are included in the committee report.

Documents and laws

The Act was finally replaced by the , which formally enshrined democracy and the will and equality of the people, exercised through a.
