The Government remains resolute in effecting its principal responsibility to ensure the long-term safety of the nation in order to promote inclusive national development and secure a decent and dignified life for all. In the immediate future, the Committee could adopt a resolution in that regard. The agreement between China and the Philippines to resolve relevant disputes through negotiations shows the intention to exclude any other procedures.

### Oxford Public International Law: Oxford Public International Law

Article 230 Monetary penalties and the observance of recognized rights of the accused 1. The Court accordingly finds that the construction of the wall, and its associated régime, are contrary to international law. .

### Oxford Public International Law: Oxford Public International Law

Just consider how many international arbitrations would make great plots for a James Bond movie. Section 6 - Enforcement Article 213 Enforcement with respect to pollution from land-based sources States shall enforce their laws and regulations adopted in accordance with article 207 and shall adopt laws and regulations and take other measures necessary to implement applicable international rules and standards established through competent international organizations or diplomatic conference to prevent, reduce and control pollution of the marine environment from

land-based sources.

Such a modus operandi of the Tribunal defies the judicial or arbitral character of its function. A State Party which has made a declaration under paragraph 1 may at any time withdraw it, or agree to submit a dispute excluded by such declaration to any procedure specified in this Convention. Besides, such a decision would unavoidably produce, in practical terms, the effect of a maritime delimitation, which will be further discussed below in Part IV of this Position Paper.
