### Easter, 1916

Initial decision made to stage an uprising while Britain is at war. The word spell is relevant here: in 1887, Yeats became a Theosophist and an acolyte of Russian occultist Madame Blavatsky.

### The Easter Rising

At least 100 Irish citizens were killed in the crossfire as well. Despite his illness, he took his place in the GPO and signed the Proclamation.

### Centenary of the Easter Rising

In 1900, he joined the Gaelic League and became passionately involved in the language revival movement. At the time, Ireland was ruled by Britain but many people in Ireland wanted independence.

### Easter Rising

Joseph Mary Plunkett was married to his childhood sweetheart Grace Gifford in 1916, 7 hours before he was killed. This continued over the next 200 years until rebellions in 1798 and 1801 lead to Ireland gaining representatives to the British Parliament, although Ireland was still heavily underrepresented. The 1916 Easter Rising was another rebellion by Irish Nationalists.

### A Terrible Beauty is Born: The Easter Rising at 100

Plunkett successfully got a promise of a German arms shipment to coincide with the Rising. Sequel to All Souls, which I really liked. Collins later became IRB president and minister for finance of the first Dáil 1919.

### Easter Rising

Easter Rising focuses on explaining that self-deprecating mentality, using the story of MacDonald's own growth--through art, culture, and, most importantly, punk I was surprised by how much I liked his second memoir considering I had heard that it paled in comparison to his first--and one

of my favorite--memoirs, All Souls.

**Easter Rising: An Irish American Coming Up from Under by Michael Patrick MacDonald**

Biographical Contexts Maud Gonne Macbride.

**Easter Rising: An Irish American Coming Up from Under by Michael Patrick MacDonald**

The unveiling was shown live on RTÉ and acting Taoiseach Enda Kenny laid a wreath.
