## Policy and Indigenous languages in Australia

So yeah when I saw the question I kind of laughed when you said it was a little bit less active. So I think at a partnership level it's a really, really great resource and guide.

## Vol. 19, No. 1/2, 1995 of Aboriginal History on JSTOR

But over the years a succession of changes in policy priorities at both national and Territory level, coupled with a pattern of ignoring relevant research, put the survival of these programs in jeopardy. This includes involvement in both planning and implementation of the service.

## Vol. 19, No. 1/2, 1995 of Aboriginal History on JSTOR

SFLEX Stronger Families Learning Exchange Bulletin, 1, 16-20.

## Vol. 19, No. 1/2, 1995 of Aboriginal History on JSTOR

More than this, the names gave identity to the Indigenous groups and the land was and still is a part of them.

## Bilingual Programs Involving Aboriginal Languages in Australia

But it does, genuine partnerships does take time. For more information on Indigenous cultural competence see Flaxman et al. YADENI TAGO: I was just going to say, it really comes back to relationship doesn't it.

## **Policy and Indigenous languages in Australia**

MR MUIR: And Julie, I guess coming from another part of the partnership, I mean has there been anything about the process of the partnership, or indeed the work with SNAICC too that surprised you? Hamburg: UNESCO Institute for Lifelong Learning, in collaboration with Association for the Development of Education in Africa ADEA.

## **Towards a conceptual understanding of Aboriginal and Torres Strait Islander community and community functioning**

She is committed to the cause of our First Nations people and in her current role acknowledges she has been privileged to learn so much about the resilience and generosity of Aboriginal and Torres Strait Islander culture. As Luise Hercus explained, Gariwerd is a compound noun.
