The American Recovery and Reinvestment Act reporting requirements and the recently proposed NIH reporting requirements related to financial conflicts of interest are two notable examples. The country generally has a positive attitude towards foreign portfolio investment. The Director of Central Intelligence had once had a national intelligence officer for terrorism to coordinate analysis; that office was abolished in the late 1980s and its duties absorbed in part by the Counterterrorist Center.

Investment Climate Statements: Custom Report Excerpts

The committee received nearly 2,000 pages of responses. The need to better protect military systems is well recognized.
