. Well, the French firm lied and built a bespoke Chiron that just smashed the 300 mph barrier.

### Used Bugatti For Sale

The Super Sport version of the Veyron is recognised by as the production car in the world, with a top speed of 431. May responded that the Veyron was very controlled, and only wobbled slightly when the air brake deployed.

### Ace Hood

It joins the Chiron Sport, the 110 Ans model that celebrates the company 110th anniversary, the La Voiture Noire, and the track-prepped Divo. Photos on this website may refer to prototypes that could undergo modifications during the development phase or European specification models; they are provided purely for informative and reference purpose and are not binding for Ducati North America, Inc.

### Bugatti Veyron Reviews and New Model Information

The Super Sport has been driven as fast as 431. The electronic limiter is also removed with this version. The two models are called the Chiron Noire Sportive and the Chiron Noire Elegance.

### Bugatti Veyron

Please contact your Authorized Ducati Dealership for the most current information. It has an orange body detailing, orange wheels, and a special black exposed carbon body. Several special variants have been produced.
