Islamic Medical Manuscripts, Alchemy 34

However, since only selections were edited by Haq, it is possible that the rest of the text in the NLM manuscript represents extracts from other portions of the treatise that were not included in Haq's study.

The Mysteries of the Prayer and Its Important Elements

The edges have been trimmed from their original size. He explains the acts involved in the outward elements of the prayer and outlines which of these acts are obligatory and which are sunna. The National Library of Medicine has several treatises that appear to relate to this Jābirian collection.

Staff View: The mysteries of Almsgiving;

Spanning over 40 volumes, it deals with the principles and practices of Islam. Want to get more out of the basic search box? See the for more details. Read about for some powerful new tools.

Islamic Medical Manuscripts, Alchemy 34

Iḥyā' 'ulūm ad-dīn English: The Revival of the Religious Sciences. One person adding marginalia to the volume frequently cites the alchemical authority. It is one of the longer text of this group.

The Mysterious Quranic Letters No One Can Explain

Taken together, they make up exactly half of all letters in the Arabic alphabet, but spread out on the page they make literally no sense.
