In order to learn more about writing historical novels, Dr. The author seems like he's on ten different drugs as there is no clear line of reasoning, nor any apparent organization at all.

From Babylon to Timbuktu: A History of the Ancient Black Races Including the Black Hebrews by Rudolph R. Windsor

What about the way to get this book? His woeful ignorance of ancient geography is mind blowing and this book is a shining example of poorly done research mixed with assumptions and wishful thinking. We are given lucid glimpses into the Tabiban Kamant and Wasambara Jews who are presently known as the Falashim of Ethiopia. Let's talk first about the content of the book: I was intrigued.
