John Kostrzewa, a former managing editor at The Providence Journal, welcomes email at. But what also caught my eye was a cement-encased pipeline on stone trestles built on a ledge in the ravine. NORTH ADAMS — Hudson Brook pools behind the only white marble dam in North America before tumbling sharply to form a 30-foot waterfall into a chasm below.

Walking RI: A quick hop into the Berkshires for a trio of hikes

Walking RI: Walking RI: I walked down the hill and circled the old mill. I turned left to follow the bank as the lake narrowed to a channel and created a waterfall over a small dam.

. The mills were vacant for 15 years until state and local leaders provided financial support to create MASS MoCa, a huge contemporary art

museum that opened in 1999 and has attracted millions of visitors and their money.

Walking RI: A quick hop into the Berkshires for a trio of hikes

A path follows the banks of the brook to a small pond that empties over the 30-foot-long white marble dam. On a hike on nearby Monument Mountain, Melville, Hawthorne and some friends took shelter in a huge cave during a heavy rainstorm. You see the trees blossoming.
