The Great War and Modern Memory (TV Episode 2019)

When a participant in the war wants an ironic effect, a conventional way to achieve one is simply to juxtapose a sunrise or sunset with the unlovely physical details of the war that man has made. The perceived futility and insanity of this conduct became, for many gifted Englishmen of their generation, a metaphor for life. Journal Information Since 1972 WSQ has been an interdisciplinary forum for the exchange of emerging perspectives on women, gender, and sexuality.

Great War and Modern Memory

But the book is also a weak, often simplistic, account of almost everything before and after the war. This is in many ways like the world that we live in. The literary style changed because of the war, which is one of the things that Fussell looks at.

Top 12 Quotes from The Great War and Modern Memory

When the air is damp you can smell rusted iron everywhere, even though you see only wheat and barley. Most of these writers—, and , for example—achieved canonical status.

The Great War and modern memory : Fussell, Paul, 1924

A book relevant to the current situation of the War on Terrorism. These benefit from new research and greater distance from the conflict.

The Great War and Modern Memory (豆瓣)

They can wait patiently for the end. It is a deeply moving and touching book and really drives home the futility of war. It reversed the idea of Progress.

Paul Fussell obituary

By applying to the past a paradigm of ironic action, a rememberer is enabled to locate, draw forth, and finally shape into significance an event or a

moment which otherwise would merge without meaning into the general undifferentiated stream.
