### Ten

Persons served were among the most severely disabled. This study explores how the strategy was designed and implemented, and the features that contributed to its success. The plan also contains new language and specific strategies about federal agency collaboration to encourage intradepartmental and interdepartmental coordination and collaboration across the federal government.

### Sustainable Communities

The Homeless Policy Academies were designed to offer states an opportunity to bring together a team of policy-makers, providers, and program leaders to spend three days working on a strategic action plan to increase access to mainstream services for people experiencing chronic homelessness. Within fifteen days after receiving a request for such a review, the Secretaries shall conduct such review.

### Strategic Action Plan on Homelessness
