## Pocket Guide to the Rosary by Matt Fradd

Your Schwab Brokerage and Schwab Bank Account types are described on your account statements available at or for clients of independent investment advisors. I have been using a Pismo card for the longest time and it has served me very well - you can use it at most restaurants, convenience stores and the subway as well as trains.

## TOKYO POCKET GUIDE: Major stations in Tokyo / Area Maps of Tokyo in English

My American Express especially takes a nice beating. Adding a monocle as part of your eyewear is definitely on the more comical end of the scale! Its small size makes it easy to carry to adoration, keep around for family Rosary night, or hand out at your parish.

## The Tokyo Station Hotel

Beware though, the monocle just might steal the show from your pocket watch! Benefits cannot be redeemed for cash and are not combinable with other offers unless indicated. Deliveries are not made on Sundays and other public holidays. Note: Many banks impose a fee every time you use a card at another bank's ATM, and that fee can be higher for international transactions than for domestic ones.

## The Hotel Collection

. The BNi Building News Satisfaction Guarantee You can order from BNi Building News with confidence because all BNi purchases are 100% guaranteed! A Pocket Guide to the Rosary includes.

## American Express Travel Guides

After eating, you can go to the trendy Tokyo Midtown. Hopefully, this guide will help reduce some potential costs by showing you how to take advantage of deals on public transportation, dine more cheaply, and see some of Tokyo's sights with reduced admission.
