Budget & Planning

Moreover, it is clear that the location of school district facilities does not change upon the execution of a contract between the fire protection district and the city or town. Forms and templates are always shown in the left-most column and provided in Microsoft Excel workbook or Microsoft Word document format. While the majority of capital plan documentation describes the issues in various contexts or constructs, or specific project solutions on their own, this document is the only one that describes all proposed project solutions and the capital plan in its entirety.

Budget & Planning

Cunningham State Senator, 33rd District P. Purpose: Briefly summarizes quantity and quality of spaces available, the space shortages across campus, explains why the space shortages are present, and describes how the capital plan intends to resolve them.

FY 2022

Audience: Board of Regents, UW System Administration, UW Institutions.

Historical Overview

Annual reductions or increases in full-time tuition fees for resident undergraduate students must be as provided in the omnibus appropriations act, within the 7 percent increase limit.

DPB Website Documents (forms, instructions, publications)
