Cambridge Journals publishes over 250 peer-reviewed academic journals across a wide range of subject areas, in print and online.

**Marx and Wittgenstein : David Rubinstein : 9780710006882**

Many of these journals are the leading academic publications in their fields and together they form one of the most valuable and comprehensive bodies of research available today. All papers are blindly reviewed and are selected on the basis of whether they make significant, original contributions to the philosophical debates they address.
