## Construction Projects, Plans, and Studies on Minnesota Highways

So far, five people have died in Missouri flooding, and several towns have sustained damage.

## Construction Projects, Plans, and Studies on Minnesota Highways

Just what should do first if you are hit by a flood. There simply are no docks, no anchorages, and no fuel.

## Gouverneur Kemble Warren (1830)

The reports are also available at Federal depository libraries. After the tour, you have time to wind through the gardens on your own. The Little Falls to Monticello area is where the Mississippi River practices for the big time with larger flows, wider river crossings, and deeper river banks.

## Missouri State Highway Patrol

A Mississippi River bridge at Chester, Illinois, will close at noon Thursday, the AP said.
