Toad folklore is found all over the world and going back for many centuries.

Then there were the special potions that they fed the horses to give their coats a sleek gleam, concoctions that sometimes contained arsenic, brake root, and other poisonous ingredients.

Round the Christmas Fire : 9780099577072

Once upon a time there were two good friends, a frog and a toad. The toad has poison glands in its skin, so it was naturally assumed that they carried their own antidote and that this took the form of a magical stone.
