With the permission of the tribunal, we would point out that the forces of occupation, who have the full power under the terms of surrender to implement its terms in such manner as they should see fit, have given full opportunity to the Japanese people and to the world to observe the fair manner in which the same is being conducted.

Tensai Ouji No Akaji Kokka Saisei Jutsu

. A convenient chronology of legal literature arranged by year of publication, with essential bibliographical data but no annotation, for the period 1867-1889. The second has been further classified with respect to five specific types of Japanese bibliographical material all of general coverage from a subject standpoint : a general; b library catalogues; c publishers' and bookdealers' yearbooks and catalogues; d guides to official publications; and e guides to periodical literature.

Japanese political science : a guide to Japanese reference and research materials / by Robert E. Ward and Hajime Watanabe.

The chapter does not analyse the Japanese sense of war guilt and responsibility per se. In practice, there is a tendency for coverage to concentrate at both ends of this time spectrum.
