What is Old Testament theology?

The idols makes them blind. But God sustains and heals the hurting and judges the wicked.

Old Testament Theology — Pastors College

The commands God gave the Jews to annihilate peoples such as the Canaanites was most likely because of the pollution of the human genome which began in Genesis 6. That is what we must wrap our heads around.

Old Testament Theology, Volume 1: Gerhard von Rad: 9780664224073

Several more recent works, such as and , also combine surveys of the history of the discipline with consideration for future prospects for biblical theology.

Old Testament Theology

God had kept them secret until He revealed them to and through Paul. The angels of Genesis 6, referenced by Jude and Peter, left heaven to engage in sexual activity.

Biblical Theology in the Old Testament

Instead of aiming at a comprehensive project, he is admittedly selective in his approach, intending the representative texts and topics to provide opportunity to address many relevant theological themes as they arise. He then proposes a particular approach, which he refers to as a canonical theology. Calls for a new biblical theology, based on canon as the medium of revelation, that can teach faith, prayer, and ethical behavior.

Theology of the Old Testament

Its primary focus is on how God interacted with the nation of Israel, His chosen people through whom He chose to reveal Himself to the world. These all died in faith. The seeds of the doctrines of substitutionary atonement, salvation, election, holiness, mercy, judgment, and forgiveness are

all found in the Old Testament.
