### Customary IHL

Like the other obligations in common  
Article 3, this obligation applies equally to  
State and non-State Parties.

### International Organizations in General Universal International Organizations and Cooperation

These two aspects of the requirement of impartiality have also been applied by the ICTY and the ICTR. Cases may also be browsed by module: Oxford Reports on International Law in Domestic Courts, Oxford Reports on International Criminal Law, Oxford Reports on International Human Rights Law, and Oxford Reports on International Courts of General Jurisdiction.

## Statutes of the International Red Cross and Red Crescent Movement

The Review published many studies based on experience which sought to improve medical treatment or means of transport for the sick, and reported on proceedings of the International Commission set up to standardize medical equipment. In contrast, violence that was unsupported by such prerogative was regarded as unsuitable for such regulation.

The ICRC helps prepare military manuals and organizes educational programmes for various levels of the military. Nevertheless, it is today accepted that common Article 3 is binding on non-State armed groups, both as treaty and customary law. This collection builds on and complements Early English Books Online EEBO.

## **International Organizations in General Universal International Organizations and Cooperation**

This was the only country at war with Russia which, even in the absence of reciprocity, allowed the Committee's delegates to visit the camps and to supervise the issue of parcels.
