New Amsterdam History Center

Though the French and Spanish had discovered the region that now forms NYC, earliest exploration of the area was led by Henry Hudson, an Englishman who was serving with the Dutch East India Company, in 1609. Be aware that there are likely to be some errors, as well as non-existent or mythical people in this list. Peter Stuyvesant left of center, with wooden leg stands on shore among residents of New Amsterdam who plead with him not to fire on the English warships New York continued to grow rapidly and had about 7,000 inhabitants by 1700.

'New Amsterdam: Dutch New York's Land of Debauchery' Webinar Registration, Tue, Jan 12, 2021 at 7:00 PM

The 17th century Dutch colony of Nieuw-Nederland was situated between the South River Delaware River and the Fresh River Connecticut River with his center on the North or Great River Hudson River practically in the present US States of New York, Delaware, Connecticut and New Jersey. From Trois Rivières in Nouvelle France, 3 August 1646.

New Amsterdam Days and Ways: The Dutch Settlers of New York by Dorothy Niebrugge Hults

A book that has been read but is in good condition. Their settlement on Manhattan Island, New Amsterdam, also became a major Atlantic trade port, with ships arriving from all over the Americas, Caribbean, Africa, and Europe. When regular church services commenced in New Amsterdam in 1628, Minuit and his brother-in-law the company's storekeeper served Pastor Jonas Michaëlius as elders.

Dutch New Amsterdam

But they quickly outgrew it, and by 1626 had founded New Amsterdam on the southern tip of nearby Manhattan Island.

Dutch-style houses on William Street built in early 1900s And yet Stuyvesant had made New Netherland so attractive that in March of 1664, James Stuart, Duke of York, and brother to the newly reinstalled English King Charles II asked if he could seize the land between the Delaware and Connecticut rivers from the Dutch so the English could have coastal supremacy in the New World. As they did with the city itself, they simply claimed it as their own and renamed it.

The Dutch heritage of New York

The Dutch were after trade and profits, which is precisely what New York City is after; and the little town, like the Great City, heeded only economic considerations, thereby setting neighboring colonies an example which was too good to last. Plague journals, escapist literature, political history: explore our year in review, where we share rare book trends and a gallery of some of the most beautiful and interesting books sold in 2020.
