Modern Qur'anic Studies in Indonesia: 2010

It is generated from finding esoteric-mystical meanings which are preserved in mythologies. Harun Nasution yang tekun mengkaji teologi Abduh, dan Nurcholis Madjid yang ahli dalam fāfāsah Ibn Taimīyah. New York: Oxford University Press.

‘Writers need to be protected’

The first project necessitates the modern Arabs to free themselves from two exemplary systems of reference, the Arab-Islamic past and the present Western-Europe. Tak salah kalau Abid al-Jabiri begitu yakin menilai masyarakat islam sebagai masyarakat teks. Tak salah kalau pergolakan teologis kemudian menjadikan pemicu paling kuat atas pergolakan demokratisasi yang berkembang di dunia Islam

Urdū zabān aur Yūrapī ahl

His valuable contribution is not only in terms of understanding the turath and the present Arab situation, but also in terms of searching for the future identity of Arab modernity. Dallas ;Oxford: University Press of America.

Nazir Fatihpuri khvātin ahl

Dia tetap merespon kajian ini secara serius, bahkan oleh dia dikatakan menarik, karena memberikan angin penyegaran dalam lanskap pemikiran. The reason for the prohibition of drugs is its similar effect to wine, namely the intoxicating effect. The role that can be played by the Koran is becoming a source among several or the source of the constitution or laws.

Āsār

Yang menakjubkan, mereka ini bukan jebolan sekolah menengah agama seperti pesantren di Indonesia, tapi mereka mampu melahirkan studi-studi yang inovatif, tidak konservatif, dan menakjubkan tentang khazanah intelektualisme Islam. Tetapi bagi mereka, teks itu sangat terbatas, sementara fakta sosial terus berkembang tak terbatas. The discussion about the turath emerged and accelerated after the 1967 Arab defeat with the view of understanding the reasons behind such a defeat.

Naz̤r Fatihpūrī khvāfīn ahl

The second stage of the contemporary reading aims to create an objective reading of the turath.

Qaṭ‘āt

When we speak of the 'Word of God' are we speaking of a divine or a human code of communication? There cannot be metempsychosis in the next world. Kaum propagandis hermeneutika ini sangat lucu, karena mereka mengemukakan hermeneutika, ternyata pengetahuannya ihwal hermeneutika masih rendah.

Dīdārī bā ahl

Karena kalau rasio tetap berpegang kepada kemashalatan, maka disitulah rasio sesungguhnya sama dengan maksud yang ada dalam teks. Semakin tinggi sebuah ide bertebaran dengan berbagai tanggapan yang mengitari.
