## Batsukoishi

The suspense comes mostly at the end of the last episode. It was ultimately dropped from following chapters because it was too silly and irrelevant to the rest of the story.

## Rikka Takanashi/Gallery

Since Detective Hideaki Takano is soon to transfer to the Public Security Bureau, Toko Kisaragi feels more pressure and responsibility to solve the crime.

48

Her senior, Detective Hideaki Takano, has decided to move to the Public Security Bureau. Some quality was cut as if the budget was lower.

Noticing Keiichi's experience of déjà vu, they then explain that they will use the power of his delusional abilities.

## Chuuko demo Koi ga Shitai!

The email also implies the location of Mayumi.

### **Chuuko demo Koi ga Shitai!**

With that being said, through the mundane use of plot line and character, I believe it is very normal and results could be predicted. The MAS series began with Ishi no Mayu. .
