## World War I, Economic Mobilization For

Baker served on the Board of Trustees of Johns Hopkins University beginning in 1918 and was considered for appointment as president of the institution in 1928. Subsequent increases in federal spending resulted mainly from war-related matters such as veterans' benefits, and the most of the wartime regulatory agencies soon disappeared due to the efforts of conservative politicians. New York: Oxford University Press, 1975.

## Economic history of World War I

The 55th Telegraph Battalion was redesignated in 1921 as the 51st Signal Battalion. Italy See also: , and Italy joined the Allies in 1915, but was poorly prepared for war.

## National War Labor Board, World War I

Discontent was high in rural areas since so many men were taken for service, industrial jobs were unavailable, wages grew slowly and inflation was just as bad.

## War Industries Board

For general discussions of the campaign, see Matloff, ed. This between the east and west, besides the existing, led to an even more rapid economic growth throughout Austria-Hungary by the early 20th century.
