During 12 years the author has monitored the development of Afaan Oromo and collected the material of technical terms, specialty words and new developments for the present volume. Thus, Oromo is counted as number four after Arabic, Swahili and Hausa. Other members of this group are Saho-Afar, Somali, Konso, Agaw, Hadiyya and Beja.

### **A Dictionary of Oromo Technical Terms Â**

A further merit of this dictionary is the fact that it is the first one ever published in Oromo. Oromo is one of the most important languages of Africa, with more than 30 million speakers in Ethiopia, Kenya and Somalia as well as a further approximately 8 Million, who use Oromo as a vehicular or

trade language. The lexical entries are ordered alphabetically according to the orthography of the new official Oromo alphabet qubee.
