## NHS England » Nursing, midwifery and care staff

The care my family received in the high dependency unit when my 8-week-old son fell ill really touched my heart and gave me a massive insight into their roles and responsibilities. North American nursing bodies strictly regulate APN via protected titles and post-masters level education board certification.

## ACTHPPG Statement of Strategic Intent after NPAPH

The Deed is a legal agreement covering a range of placement matters such as insurance, indemnity, intellectual property, privacy, consent and obligations. Driven by increasing population needs nursing is advancing, but without recognition, definition, legislation or a regulatory framework.
