Aug 1908 in Linn, Oregon 271.

Mr. GENDER: M MILITARY:

Following in the footsteps of her older sisters, she worked on the farm and in the saw mill when there was a shortage of male workmen. Pioneer History of Coos and Curry Counties. In 1852 the doctor crossed the plains to Oregon, and coming directly to Lane county, settled on a donation claim near the present site of Eugene City, when, abandoning the practice of his profession for a time, as no emoluments awaited in a new and thinly settled country, the business of surveyor was engaged in and numerous government contracts in Oregon and Washington Territory were successfully executed.
