Disability Discrimination

Example: A man with chronic back pain requested time off work to recover from an especially bad flare-up.

Civil and Human Rights for People with Disabilities

Sometimes, seemingly neutral rules, standards, policies, practices or requirements have a negative effect on people who have disabilities.

Civil and Human Rights for People with Disabilities

The harasser can be the victim's supervisor, a supervisor in another area, a co-worker, or someone who is not an employee of the employer, such as a client or customer. Email us at This resource guide was created with community input and edited by board and staff from Disability Voices United.

Jury Awards Over \$125 Million in EEOC Disability Discrimination Case Against Walmart

Effective inclusive design reduces the need for people to ask for individual accommodation. Walmart Stores East LP, in the U. Such steps should be taken only until better solutions can be put in place or phased in.

Jury Awards Over \$125 Million in EEOC Disability Discrimination Case Against Walmart

Negative attitudes about people with disabilities can be barriers too. This approach shows a positive attitude about disability accommodation and encourages employees to come forward with accommodation requests, if necessary.

Civil and Human Rights for People with Disabilities

The questions asked on the employment application and the alleged failure to hire due to the information disclosed, violate the Americans with

Disabilities Act which prohibits employers from making disability-related inquiries of an applicant before a job offer, and from refusing to hire an individual due to a real or perceived disability.
