Political Descartes: Reason, Ideology and the Bourgeois Project by Antonio Negri

As such, the book is accessible to a range of readers, including students interested in peace, conflict and international development as well as policy makers and practitioners seeking new ways of understanding war economies and improving responses to them. Social and political groups in subservient power positions do not always accept the legitimacy of the system in which they live.

Reason, ideology, and politics / Shawn W. Rosenberg

Beginning with an overview of over a dozen policies aimed at transforming these activities into economic relationships which support peace, not war, the book then offers a sustained critique of the reasons for limited success in this policy field. What are the major political ideologies? In all these cases it is impossible to think of the movement without also thinking of the ideological tracts that shaped its image along lines formulated by the leader. There were a number of reasons for this.

Pinker, Political Ideology, and Reason

One could hardly say that ideology does not matter when one considers its impact on the domestic politics of Italy, Germany and the USSR under Mussolini, Hitler and Stalin, respectively.

Henceforth, all Marxist analysis of ideology would treat it as a tool of class interests, whether working-class or ruling-class. The importance of ideology in modern history By now the importance of ideologies in political discourse should be clear.

Neoliberalism as a class ideology; or, the political causes of the growth of inequalities

It was even possible to see elements of Marxism in the emphasis on the role of economics in building society.

Pinker, Political Ideology, and Reason

Many left-wing colleagues who learned that I was writing a book on reason and humanism egged me on, relishing the prospect of an arsenal of talking points against the right. Each of these analytical narratives sheds some light on the micro-politics of organised violence. Such beliefs are often not clearly thought out or logical or coherent.
