Who we are

Activities The ICN has published the Code
for Nurses It makes the policy statement

on health and social issues. National Representatives are selected by each member association. The International Council of Nurses is a federation of national nurses associations in 131 countries, representing the millions of nurses working worldwide.

International Council of Nurses (ICN) and National League for Nursing Announce New ICN Nursing Education Network

Operated by nurses and leading nurses internationally, ICN works to ensure quality nursing care for all, sound health policies globally, the advancement of nursing knowledge, and the presence worldwide of a respected nursing profession and a competent and satisfied nursing workforce. The International Council of Nurses ICN The International Council of Nurses was founded in 1899 by Mrs.

The International Council of Nurses (ICN)

To serve as the authoritative voice for nurses and nursing internationally. ICN sponsors every May 12 the anniversary of's birthday.

The International Council of Nurses (ICN)

ICN's ever-increasing networks and connections to people reinforce the importance of strong linkages with national, regional and international nursing and non-nursing organisations. The Journal's mission is to promote excellence in professional nursing, with a global perspective, by providing cutting edge, evidence-based information that embraces a holistic perspective on health and nursing. Membership is limited to one nursing organization per nation.
