Maximilien Robespierre (May 6, 1758 — July 28, 1794), France lawyer, politician, statesman

There were queues and near-riots at the shops and in the markets; there were strikes and threatening public demonstrations. Please consider upgrading your browser software or enabling style sheets CSS if you are able to do so. The question of how responsible Robespierre was for the remains controversial.

Maximilien de Robespierre 1758

On 9 August, when the Assembly refused to impeach LaFayette, he called the sections into arms. În timpul Revoluției a fost ales deputat al Stărilor Generale, iar mai târziu a făcut parte din Adunarea Națională. To escape the heat it seems he occasionally went to , 12 km outside of Paris, and stayed on a farm, owned by François-Pierre Deschamps, his courier.

BBC

The Girondins - who favored political but not social democracy and who controlled the government and the civil service - accused Robespierre of dictatorship from the first sessions of the National Convention. Nothing could be done without an order of the mayor.

Maximilien de Robespierre 1758

As the initial sparks of the French revolution flew, Robespierre found a niche for his personal belief that government ought to be an unalienable right of the people, and not the exclusive domain of or such similar hereditary peer system. The Terror ended when he and his allies were arrested in the Paris town hall on.

Maximilien Robespierre

. Ironic Aftermath After the coup, the Committee of Public Safety lost its credibility and the French Revolution became distinctly less radical. At age 30, Robespierre was elected to the Estates General of the French legislature.

Maximilien de Robespierre

He managed to keep the Jacobin Club alive after all of its moderate members had joined a rival club.
