## Employers and the recruitment of unemployed people: An evidence review

According to Atkinson et al, prominent and powerful employers primarily face a problem of selection rather than the attraction of recruits and therefore use formal HRM policies to select people who meet organisational aims such as 'quality', flexibility or ability to be upskilled as well as objectives such as equal opportunities. I'm not going to read through the whole thing.

## Behavioural Economics and Public Policy

November SO-December 9: Steamship Pt. DETI replied on 10 May 2001 Appendix 3c, Annex B addressing each of the concerns raised. They could not keep themselves from doing what they have always done, which is to spend.

## The Plague Year

We are confident that we can begin to build on the work to date and arrive at a more sustainable and stable provincial-municipal financial relationship. Further, I would suggest that while we often think of rural communities and the business of agriculture as one and the same, they are in fact mutually exclusive.

## Behavioural Economics and Public Policy

Trump may well have been the superspreader at the Rose Garden event. The American Radio Telegraphers' Association was another. You have also said on many occasions that when the new students arrive there will be adequate training and funding in place to support them.

## Debates (Hansard) No. 84

The aim of the strategy is to provide Canadians, especially young Canadians, with greater opportunities to prosper in a new knowledge based economy. AMO and its membership are ready to move forward on a renewed partnership. We're certainly seeing that the capacity to do that is virtually exhausted now.

**Debates (Hansard) No. 84**

I regret that you took it that way. The choice of a federal system made a written document inevitable.
