Just watch it your self and try to match it with your life it will become good.

**hitori no shita**

In the Chinese version of the episode that I saw, Baobao's Mandarin Chinese pronunciation in this specific segment sounds very non-standard.

**hitori no shita**

There is so much to talk about with the koushin war, houhou and soran's pasts, but they are not talked about enough. As much as I really liked the first season and wanted so much to love this season, i barely felt it. Apa sebenamya tujuan wanita misterius itu? Being separated from her since elementary school he now enrolls at her school, a former all girls private school for rich young ladies which has just opened its gates for male students, to meet her again.

**Hitori no Shita: The Outcast 2nd Season**

I reached the last episode and was like: that's it?! High School freshman Yuzuriha Kyuuta made a promise with his childhood friend Ririko to marry her when they grow up. Just how will Kyuuta be able to keep his promise? I did enjoy it, it did kill some time.
