### Bricklayer

It is not then clear if Sander was making a conscious statement about race relations. In 1927 she settled in Bonn where she first met Sander. Sander's later addition of National Socialists to this section provides an unsettling glimpse of daily reality in Cologne, a city that was largely supportive of Hitler.

### Five things to know: August Sander

He set about his task as systematically as a taxonomist, gathering, specimen by specimen, exemplary players of the roles that defined German society.

### Bricklayer

August Sander was born in 1876 in a farming and mining community east of Cologne. One section of his project is dedicated to the skilled tradesman, including master craftsmen, industrialists, technicians, and inventors. The men look directly at Sander, yet their bodies are turned away from his camera.

### August Sander / Biography & Images

Lasting several seconds, the exposures required by Sander's large-plate camera encouraged his subjects to arrange themselves and carefully pose. Selected from the Getty Museum's substantial holdings of Sander's work, this exhibition of 130 photographs explores the promise of his vision in a condensed view of his ambitious project. He spent his military service 1897—99 as a photographer's assistant and the next years wandering across Germany.

### August Sander Artworks & Famous Photography

With money from his uncle, he bought a camera and set up his own darkroom.

### Collections

Sander avoided new technologies August Sander National Socialist, Head of Department of Culture c.

### **August Sander Artworks & Famous Photography**

Sander, however, was a very great photographer.

### **August Sander Artworks & Famous Photography**

In contrast with another portrait of Brockman at his easel in the section on artists, this image underscores the contemplative nature of artistic practice. Instead he remained devoted to an old-fashioned large-format camera, glass negatives and long exposure times.
