### Life's Handicap

Fleete began the night with sherry and bitters, drank champagne steadily up to dessert, then raw, rasping Capri with all the strength of whisky, took Benedictine with his coffee, four or five whiskies and sodas to improve his pool strokes, beer and bones at half-past two, winding up with old brandy. Condition: Very Good- Near Fine. Strickland led him out and explained that there must have been a mistake in the diagnosis.

### The Mark of the Beast

That nuzzling seemed to sober them.

### Life's handicap (1891 edition)

It was all that we could do to escape from the place unkicked. Red cloth binding with gilt medallion on the front cover; titling in gilt on the spine; top-edge is gilt.

### Life's Handicap by Rudyard Kipling

Green cloth boards with blindstamped RK on cover, gilt spine titles. When we confronted him with the beast the scene was beyond description. Later, when we had been parted for months, it happened that I was to go away and far off, and I came to bid Gobind good-bye.

**Life's handicap : being stories of Mine own people : Kipling, Rudyard, 1865**

The Lang Men o' Larut were just a certainty. We were dealing with a beast that had once been Fleete. Her maternal grandfather was E.

### Life's Handicap

If you are a fan of Kipling, or if you want to read more about colonial India and the British Empire, I really recommend this collection.
